Today's Featured Ministry Is:

MOPS / MOMSNEXT
BY PATTI LI

“Even though we couldn't meet in-person earlier this year, we made sure that ALL our moms were seen and heard.”

Here are the highlights for the 2020-21 MOPS Year:

- We had 22 registered moms, 16 meetings with sprinkles of playdates and Moms' Night Out events. All but one meeting was held virtually.
- Our only in-person event was the MOPS Swap held on April 20th outdoors in the church parking lot. Current and past members contributed to this event, and mothers from the Race Track Chaplaincy ministry also got to participate. All remaining items were donated to United Breast Cancer Foundation.
- We had celebrated NHPBC's 20th year hosting MOPS in August, with former and current members joining together. Even though we couldn't meet in-person earlier this year, we made sure that ALL our moms were seen and heard. For example, mom profiles were highlighted each month in our bi-weekly e-mails. For our last

meeting, end-of-year gifts were dropped off to each moms' house along with some extras. Former Coordinator, Dana Moore, guided us in a watercolor activity. Afterwards, Dana and other former MOPS alums, Blessing and Priscilla, were invited to look back and share about their time at MOPS with us.

Prayer Requests/Needs for this ministry: Some of our longtime members/leaders had decided to step down after May, and so we'll be rebuilding our team this summer. And while we have moms that expressed interest in meeting in-person, we want to be mindful

and respectful of the current climate, and ensure everyone's safety (especially the childcare volunteers) in doing so.

ALL FOR LOVE
