Today's Featured Ministry Is:

MUSIC MINISTRY

BY PASTOR MICAH MCCORMICK

“The whole church forms a mighty army of singers.”

We have a number of choral assistants in our church. “We do?” you might ask. “I didn’t know we even had a chorale, much less choral assistants.” We do! The whole church forms a mighty army of singers. That is a basic element of our worship each week (Romans 15:9; Ephesians 5:18-20). Singing is not just for the elite or those especially interested in four part harmony—singing in church is for

all those who have been redeemed by the lamb. So if the whole church forms a beautiful band of singers marching to Zion, who are the choral assistants?

That’s where our music team comes in. Those who play

instruments or sing directly into a microphone aim to assist all of us as we sing together in praise to God. They surely are an encouragement to us, and recently we’ve been happy to add Jen Ebert, Shanique Mahoney, and Haley Killibrew to the team. If you play an instrument or have particular vocal competence, feel free to talk to Pastor Micah. And if you don’t have the most angelic voice this side of glory, don’t let that keep you from joining in with the rest of the congregation each Lord’s Day!
